Block 4: Discount Calculation Worksheet A for Schools/School Districts

Worksheet #A-

Page 64 of 83

Instructions: If you are filing a School/School District application, use this worksheet to calculate the discount rate for site-specific services and/or to determine the weighted average discount calculations for shared services.

(For Administrator's Use)

10a If you are:

- Applying for discounts **ONLY** for an individual school, or **ONLY** site-specific services: Complete columns 1-7 only for each school. Add and number pages as needed. Then use each school's Entity Number and its discount from Column 7 to complete Block 5 site-specific service to that school.
- Applying for discounts on services shared by **ALL** schools in the district (with or without site-specific services as well): Complete all columns 1-8 for all schools in the district. Then use the Weighted Average Discount in 10c (below) to complete Block 5 for shared services.
- Applying for discounts on different shared services shared by different groups of schools (with or without site-specific services as well): Complete one worksheet, columns 1-8 PLUS 10c, for EACH different group of schools sharing a service. Designate this worksheet A-1, A-2, A-3, etc.

10b List entities and calculate discount(s).
